## Placing Voice Personals:

You will receive instructions on how to use our Voice Personals system by mail after the *Chronicle* receives your written personal ad. You will then be able to record a spoken message and receive replies on our Voice Personals system, once every 24 hours via an 800 number, at no additional cost to you. The same standards apply to the Voice Personal as the written personal. No sexually-explicit language; please keep it positive. We reserve the right to delete a Voice Personal which exceeds AT&T standards; it can be revised and re-recorded any number of times.
